

Ownership & Sale Declaration

Monolithic 3D-mMHD Architecture — Intellectual Property Notice

1. Ownership Statement

I, the creator and sole author of the Monolithic 3D-mMHD Architecture and all associated technical documents, diagrams, specifications, and conceptual materials, hereby declare that:

I am the exclusive owner of this technology and all related intellectual property.

No individual, company, institution, or third party holds any rights, licenses, or permissions to use, copy, distribute, modify, or integrate this work in any form.

My contact email for all inquiries regarding this technology is:

serviceblend@gmail.com

2. Usage Restriction

Until the technology is formally sold under a legally binding agreement:

All usage, reproduction, testing, evaluation, reverse engineering, or integration of this technology is strictly prohibited.

No party is permitted to:

- use the architecture in research or development,
- integrate it into hardware or software,
- analyze or benchmark it,
- or derive any commercial or technical benefit from it.

Any unauthorized use constitutes a violation of my intellectual property rights.

3. Sale Availability & Transfer Commitment

I hereby state that:

I am willing to sell this technology,

including all documents, diagrams, specifications, and intellectual property rights,

to any interested party that provides a formal purchase offer.

Furthermore:

I am fully prepared to transfer all rights, ownership, and materials immediately once a legitimate buyer presents a purchase offer and a sale agreement is executed.

Until such a sale is completed:

- **I retain full ownership,**
- **I retain all rights,**
- **and no usage is permitted by any third party.**

4. Legal Standing

This declaration serves as a formal notice that:

- The technology remains my property until a completed sale.
 - No implicit or explicit license is granted.
 - No party may claim rights or usage without my written consent.
 - All rights are reserved exclusively by me.
 - All negotiations must be initiated via serviceblend@gmail.com.
-

5. Final Statement

I do not require this technology for my personal use.

I am willing to sell it.

But until the moment of sale, it must not be used by anyone.

Any violation of this declaration will be treated as unauthorized use of protected intellectual property.
